Baby room

Babies are going to be exploring the outdoor environment more and will be joining in with more natural resources from the environment in their play, please bring the correct clothing for your child to keep them warm as we will be spending more time in the garden.

If you enjoy any walking at the weekend, feel free to bring in some leaves for our play.

Toddler room

Toddlers are going to be focusing on their garden and outdoor environment. Toddler room are going to be talking about growing your own vegetables and planting their own vegetables in their planting area that our chef Jenny will be able to use during cooking.

Pre-school room

Pre-school are going to be focusing on adding more Literacy into the environments and linking stories into their play.

As we are coming into spring, Pre-school are also going to be talking about vegetables that are planted and that we can watch grow and plant some in our planting area in our big garden.

2-year funding

Just a reminder that if your child is 2 years old and you can claim funding from April 2024 then you need to apply for your code by the end of March 2024. Once received please send your code across so we can check them here.

If you are unsure how to apply for your funding code, then please speak to us and we will help you with this of visit Childcare choices.

If you need to re-confirm your code, please also check this as we do not want you to lose your funding.
