Office updates

Welcome to our new families that have joined or are joining Dunkys throughout May & June

Our Parent Partnership reps are:

Jessica, parent from Preschool room

Amanda, parent from Toddler room

Kimberley, parent from Baby room

In our meetings we discuss the nursery and bring together ideas for how to move forward with things such as fundraising events. If you have an idea to bring forward, please contact a parent rep to bring this to the next meeting.

Dunkys Team Spotlight

Lucy currently works in our toddler room full time and has been a part of the Dunky's family for nearly 3 years. Lucy has a lovely passion when working with all children and enjoys seeing all of their individual personalities shine through. She loves helping the children and seeing them grow in their development. Lucy offers a nurturing and helping hand to the children in her care.

Michelle's Recipes –

Family

Could we please ask all parents to be uploading observations/photos onto Family of any fun things you do at home, pets, family members, experiences, new achievements etc. We believe the holistic approach is paramount and this helps us to achieve the open consistent communication between home and nursery. If you are unsure how to put up an observation, please come and see us and we will help you.

Preschool Graduation

As we go into the summer term, our oldest pre-school children are starting to learn about that next step to 'big' school and we wouldn't want to see them go without celebrating the amazing achievements they have all made

Please save the date Saturday 20th July for a Graduation party for all school leavers. More details to follow shortly. If you have any questions, please come to Natalie or Kristina regarding Graduation.

The Childcare Choices

The childcare choices website; www.childcarechoices.gov.uk brings together all the existing childcare offers in one place, so parents can get the help that fits their family. This could be through Tax-Free Childcare, 30 Hours Childcare or Universal Credit Childcare
